Review Date: September 2023

Turney School

COSHH Policy

Turney School abide by “The Control of Substances Hazardous to Health Regulations 2002”.

All COSHH items are locked away safe cabinets accessible only by responsible members of staff. The premises team are responsible for the day-to-day management of COSHH items and monitor contractors’ use of such.

The cleaning contractor and kitchen contractor both have supply the school with lists of their items and are locked away when not in use.

Non-hazardous cleaning materials are used in classrooms and learning areas during the day and are locked away when not in use.

A list of all COSHH items, are kept by the premises team and are updated as required.

Correct PPE is on site for use when in touch with chemicals to avoid any irritation or harm.

All staff are presented with sufficient information as to what is and what is not COSHH and at within the guidelines.
